We are a voice for families at The Royal

AS FAMILY ADVISORS AT THE ROYAL WE:

- have observer status on the Board of Trustees
- collaborate closely with the Client Advisory Council
- champion the Client and Family Centered Framework
- have a seat on key Committees for quality improvement, program development, medication reconciliation, ethics, senior hiring appointments etc.
- co-design new policies, programs, evaluations and initiatives throughout the full lifespan of client and family caregiver requirements and needs
- research best practices in the area of family support/engagement and make the case for improvements
- represent families at signature public events held by The Royal
- organize events that build awareness, and share knowledge and best practice to improve the quality of care and experiences for clients and families
- meet every **1st Thursday of the month from 4:00 to 6:00 pm**
- and have fun, support each other and make a difference!
