

SUPPORT MENTAL HEALTH IN YOUR COMMUNITY

Please help The Royal transform the lives of those living with mental illness

The Royal Open Golf Tournament is one of the national capital region’s premier annual social events attracting leaders from Ottawa’s business, public and not-for-profit communities. Celebrating its 30th anniversary, the tournament raises funds to support the best possible patient care and mental health research at The Royal Ottawa Mental Health Centre. This fun and entertaining event sells out every year providing our partners with maximum visibility and exposure to loyal and influential supporters of the cause.

We invite YOU to be a **Leader for Mental Health** by donating to **The Royal Open’s Auction**. The auction is a central part of the success of our golf tournament. By donating, you will be demonstrating your commitment as an important partner in our efforts to de-stigmatize mental illness. By providing an item or service, you are contributing to patient care and crucial mental health research at a time when the need has never been greater. Your donation will help make a difference in the lives of those affected by mental illness.

One in three people are affected by mental illness. Our colleagues, our children, our mothers and fathers, and our spouses need YOUR help. The Royal will never give up on the potential of people. As one of Canada’s foremost mental health care and academic health science centres, The Royal has a mandate to get more people living with mental illness into recovery faster. Breakthroughs in research and patient care happen at The Royal, but there is more work to be done. The patients and their families and those who live with the effects of mental illness every day, are grateful for your consideration of support.

By contributing to The Royal Open, you will be supporting transformational research and care at The Royal.

We welcome the opportunity to answer any questions you may have, and to discuss how you can get involved.

Thank you for your consideration & support,

Kelly Meincke
