# Family Advisory Council Conseil consultatif des familles

## Family Advisory Council Application

The Family Advisory Council (FAC) at The Royal is recruiting family members supporting persons with a mental illness and/or addiction. FAC members are:

- The voice of families at The Royal
- Transforming lives through family partnership in care, policy, programs and research

We define 'family' broadly as: anyone (family, friend, co-worker, ally) identified by the person living with mental illness as being a significant support in his/her life.

If you are a family member of a person who has received mental health and/or addiction services from The Royal or elsewhere in the community, and have a passion to contribute to collective action, we encourage you to apply:
