

1

Donor posts an item they wish to donate by taking a photo, selecting a beneficiary charity, school or campaign and setting the asking price.

2

Buyers search the GiveShop product listings by merchandise category, charity, school or campaign.

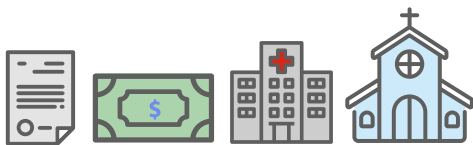

3

Once a donor and buyer agree on a sale price, they communicate via the Chat function on the marketplace to arrange a meeting time, drop-off/pick-up location or shipping logistics.

4

Donor and buyer exchange the item. If not paid in advance, Buyer pays by credit card using the GiveShop marketplace.

5

GiveShop remits the net proceeds to the donor's charity or school of choice and the donor receives a tax receipt for the item sale amount.

The Royal's Virtual Garage Sale

In Support of:

Powered by the GiveShop Marketplace

What:

A Virtual Garage Sale to raise funds for The Royal Ottawa Mental Health Centre using the GiveShop Marketplace.

How:
