The Royal Open Golf Tournament

The Royal Open Golf Tournament is one of the national capital region's premier annual social events attracting leaders from Ottawa's business, public and not-for-profit communities. Celebrating its 31st anniversary, the tournament raises funds to support the best possible patient care and mental health research at the Royal Ottawa Mental Health Centre. This fun and entertaining event sells out every year providing our sponsors with maximum visibility and exposure to loyal and influential supporters of the cause. The Royal – which is comprised of the Royal Ottawa Mental Health Centre, Brockville Mental Health Centre, the University of Ottawa Institute of Mental Health Research, and Royal Ottawa Place – is the largest provider of specialized mental health services in Eastern Ontario and is internationally recognized as a leader in mental health research.

Your Support Will

- Improve access to urgent and critical care, right here, right now.
- Offer hope and possibility through innovative treatments, better diagnostics, and more personalized care.
- Grow the next generation of mental health leaders.
- Provide comfort, a dignifying experience and opportunities for meaningful recovery.

The Royal Ottawa Foundation for Mental Health raises funds in support of excellence in mental health research, programs, and patient care. Our goals are simple and clear – to get those suffering from mental illness into recovery faster, and to transform the way major depression is treated. The support of your organization will help us make a difference!
