A motion was moved, seconded and carried to approve the Skills Matrix, as presented. The Skills Matrix is to be completed by potential Board members as they go through the application process.

The Governance Committee is responsible to review and bring to the Board the Terms of Reference and Work Plans for all Committees of the Board for the approval of any changes. In that regard, motions were moved, seconded and carried to approve the following documents, as presented:

- Quality Committee Work Plan
- Finance Committee Work Plan
- Compensation & Succession Planning Committee Terms of Reference
- Joint Priorities and Planning Committee Terms of Reference

A possible amendment to the Terms of Reference for the various Board Committees was also discussed. The purpose of this amendment is to allow non-Board members on Committees. It was hoped this would help with the Board’s diversity and inclusion recruiting, and give the Board a forward-looking ability to bring people onto Committees who might contribute to the Board in the future. This will be sent to the Committee Chairs for consideration, and will be brought back to the Governance Committee in June.

A proposed Board and Committee meeting schedule for 2022-2023 was reviewed with the Board. The dates will be finalized at the June meeting.

**Quality Committee Report – L. Leikin**

The Quality Committee was scheduled to have a meeting in February, but it was cancelled because of the ongoing pandemic demands and time commitments being asked of staff. The next Quality Committee meeting will be on March 7, 2022.

**Advocacy Committee Report – R. Anderson**

The Advocacy Committee met on February 3, 2022. The Committee is currently looking for a new Vice-Chair.

An Action Plan to Achieve Advocacy Objectives was presented to the Committee.

The Finance Committee met on January 20, 2022. A copy of the minutes from that meeting were included in the Consent Agenda. The Interim Financial Statements were also made available on the Board portal for the Board’s review.

The Committee would normally bring the budget for the next fiscal year to this meeting, but because of the pandemic, funding announcements have not been received yet from the Ministry. This will be discussed at the March Finance Committee meeting, and will then be brought to the Board at the March 31, 2022 meeting

A motion was moved, seconded and carried to approve the Integrated Risk Management Framework (IRMF), as presented. The Quality Committee did not review the IRMF this time around as they did not have a meeting in February, but will review it at their March meeting.
