**1. PURPOSE:**

To promote barrier-free access to information and materials at the Royal Ottawa Health Care Group (ROHCG) including information affecting health and safety, social and economic well-being, legal rights and obligations and information and materials that staff require to fulfill their professional duties

**2. POLICY STATEMENT:**

The ROHCG respects the rights of all patients/clients, staff and visitors to access public information, and as such, will respond to requests for accessible formats promptly and to the best of our abilities. The ROHCG will place a note and/or icon on publications produced in-house, as well as on applicable documents produced on behalf of the ROHCG (i.e. consultant reports, etc.) to indicate that the documents are available in accessible formats upon request. Staff will protect the confidentiality of all requests for accessible formats.

**3. SCOPE:**

The policy applies to all materials, documents and information produced by the ROHCG for patients/clients, staff, visitors and the public at large.

**4. GUIDING PRINCIPLES:**

The Ontario Government requires that all employers provide accessible formats to individuals with learning challenges and disabilities to promote equal access to public information.

**5. DEFINITIONS:**

**Accessible Formats:** refers to the production of standard print and/or electronic documentation, including access to information, in a non-traditional manner. Accessible formats include:

- Conduct an effective annual review of internal policies and practices to determine whether recruitment, training and development, ROHCG-sponsored social activities and promotion and provision of career opportunities present barriers to persons with disabilities.
- Provide annual review of the requests for accessible formats to determine financial impact on the organization.

**6.3.3 Managers are expected to:**

- Accept accountability for addressing workplace barriers that may exist and hinder individuals from doing their jobs effectively.
- Ensure that assessment methods or tools used in the staffing process do not constitute barriers.
- Identify documents produced by their department that may require conversion.

**6.3.4 Staff are expected to:**

- Consult with OHS to identify the most appropriate accessible format to fulfill their needs
- Provide the necessary documentation to support their request for accommodation.

**6.3.5 The Director-OHSS is expected to:**

- Contact the requesting individual to gather additional information with respect to the preferred format, the number of copies desired, the address to be sent to and the expediency of the request to be filled.
- Implement strategies to produce and supply the requested document to the individual ensuring that the request is fulfilled in a timely manner.
- Address any concerns, questions or complaints regarding accessibility issues in consultation with the ROHCG Accessibility Committee.

**6.4 Library - Provision of materials in accessible formats:** Accessible format will be provided for audio, large prints, electronic books, periodicals, databases and any other information supplied by the ROHCG libraries to those individuals with disabilities. (*Section 18; subsection (2) of the Ontario Regulation 191/11*)

**6.5 Communication:** Information about the ROHCG's Accessibility feedback process will be available to the public via the external website. The ROHCG will respond to all feedback and take appropriate action.
